

about the PRIO principle of the hall of future.

PARTICIPATE

The members of the Hall of Future (Hall) are <u>outstanding</u> leaders. They value the power of collaboration, yet decide for themselves the nature and extent of their participation in the Hall.

RESPONSIBLE

The members of the Hall are <u>responsible</u> leaders. They embody the growth-oriented Quality Economy - also by engaging with the topics addressed by the Hall.

INFORMED

The members of the Hall are <u>well-informed</u> leaders.

They rightfully expect to be kept up to date on all topics relevant to the Hall.

OPT-IN (OR -OUT)

The members of the Hall are <u>decisive</u> leaders, who actively agree (opt-in) before being admitted and who may, at any time, withdraw with sovereignty (opt-out withdrawal option) if they disagree with content represented or published by the Hall. As in many supranational organizations, a missing opt-out in the Hall is considered approval.

THE PRIO PRINCIPLE **DESCRIBES THE** FOUR GUIDING PRINCIPLES, BY WHICH THE MEMBERS OF THE **FUTURE-ORIENTED** HALL OF FUTURE OPERATE. THIS AGILE **PRINCIPLE** IS DESIGNED TO SECURE BOTH INDIVIDUAL CONTRIBUTIONS AND A POWERFUL **DEVELOPMENT OF** THE FOUNDATION.
