

ABOUT THE *PRIO* PRINCIPLE OF THE HALL OF FUTURE.

P **PARTICIPATE**

The members of the Hall of Future (Hall) are outstanding leaders. They value the power of collaboration, yet decide for themselves the nature and extent of their participation in the Hall.

R **RESPONSIBLE**

The members of the Hall are responsible leaders. They embody the growth-oriented Quality Economy - also by engaging with the topics addressed by the Hall.

I **INFORMED**

*The members of the Hall are well-informed leaders.
They rightfully expect to be kept up to date on all topics relevant to the Hall.*

O **OPT-IN (OR -OUT)**

The members of the Hall are decisive leaders, who actively agree (opt-in) before being admitted and who may, at any time, withdraw with sovereignty (opt-out withdrawal option) if they disagree with content represented or published by the Hall. As in many supranational organizations, a missing opt-out in the Hall is considered approval.
